

**J WORLDS**  
**111 2018**  
BRESKENS THE NETHERLANDS  
**19 - 26 August**

Dear J 111 sailors,

We are very excited to announce the **2018 J 111 Worlds** in Breskens in Holland in 2018!

Attached, please find the dates. We will have registration on Sunday 19 August. The Pre Worlds Tune Up Regatta will be on 20 and 21 August. Registration for the event and weigh in will be on 22 August, and the World Series will be held on 23, 24, 25 and 26 August 2018.

**Please mark these dates in your calendars!**

Racing will be on the North Sea, with prevailing Westerly winds, and challenging tidal conditions.

Over the years, the J 111 has seen a very active fleet in the Solent, and in the Dutch and Belgian waters, that are very focussed on one design racing. We are very pleased to announce that we teamed up with all of the Benelux and UK teams. **As many as 13 teams already confirmed their attendance!**

To maintain the World Sailing status, it is vital that we have 20 participants, from two continents. So we need another 7 boats and do hope to get the US and Australian sailors interested.

We are of course keen to get charterboats available for the event. More information on that will follow.

We will have a website ([www.j111worlds.nl](http://www.j111worlds.nl)) that we will use for communication. At this point, you will not find a lot of information on that yet, but it will be updated regularly.

For planning purposes, it will be very helpful for us to know whether you are interested to join. **Please let us know!**

Also, please let us know whether you would be interested to **charter**, whether you require **lodging** and whether your families would be interested to participate in a **partner program**. Amsterdam and Antwerp are only about 1 hour and 45 minutes away! We don't know what we will accommodate, but if you tell us about your plans, and needs, we can try and accommodate them as much as we can.

On behalf of the J111 Benelux class.
